TEMBUSU GRAND

—
The Essence of
Katong Living

ARTIST'S IMPRESSION

A sense
of heritage

A vision of
the future

Tembusu Grand, sitting comfortably in the charming enclave of Tanjong Katong and East Coast, perfectly balances the need for tranquility while being at the centre of it all.

A modern development with its unique stamp of quiet and understated elegance. Its towering architecture takes inspiration from the Tembusu heritage tree, featuring colours, textures and an iconic crown design that mirrors the tree's sculptural form. All nestled within a lush, evergreen landscape with thematic gardens and cascading water features.

A desirable landmark
in a timeless
neighbourhood

A neighbourhood with old world charm

Neighbours with fresh perspectives

The Katong District has always been a melting pot of old and new, with something for every taste—whether it's old school local cakes or handmade French pastries, coffee pulled through a sock, or brewed by artisan baristas.

Immerse in the area's famed Peranakan culture through the vibrantly coloured heritage shophouses on East Coast Road, where many quaint cafés await your discovery. Modern conveniences are also easily found at nearby malls such as i12 Katong, Parkway Parade, and PLQ Mall.

Return to your roots

Or watch your roots grow

For parents who grew up or attended school in the area, there's nothing quite like a Katong childhood. With some of Singapore's iconic schools within walking distance, including Tanjong Katong Primary School, Tanjong Katong Girls' Secondary School, Kong Hwa School and many more, Tembusu Grand makes an ideal home to raise a young family.

Eastside living that's next to the city

With East Coast Park and Singapore Sports Hub just a 5-minute drive away, starting your day with a healthy dose of exercise is a breeze.

The relaxing seaside ambience of East Coast Park is yours to enjoy freely and easily all hours, all day. Whether as your starting point to explore the Round-Island Route that connects to the park; to experience the adrenaline rush of skating at Xtreme Skate Park, or to simply indulge in the delicious fare served at the East Coast Seafood Centre restaurants or East Coast Lagoon Food Village.

Welcome home to seamless connectivity

The convenient location places the Central Business District and Marina Bay Sands at a mere 10-minute drive away. For the frequent flyer, Changi Airport can be reached in just 12 minutes. Connectivity will be further enhanced as the future Tanjong Katong MRT station is just 8-minute walk away.

The best of
the East begins
at Tembusu Grand

Retail

- i12 Katong
- Parkway Parade
- Kinex
- PLQ Mall
- Katong Shopping Centre
- Katong Plaza

A statement of modern architecture with punctuations of nature

Entering through the Arrival Courtyard, the lush greenery and water features remind you to slow down and breathe. Relax your senses naturally through the Scent and Herbs Gardens. Enjoy evening strolls at the Serenity Walk and Garden. Or bring your pets out to the Pets Corner for some outdoor fun.

A yoga studio, tennis court and gymnasium overlooking the lap pool let you unwind from the day. Social spaces like the Leisure Lawn and Co-Working Lounge offer unique spaces to work from home.

Idyllic
by nature

Purposeful
by design

The Grand Club sits among lush gardens with different pools for various recreational enjoyment. The Wading Pool and Family Pool will keep kids and parents happily engaged. While the intimate Spa Pool is ideal for relaxing. Serious swimmers will appreciate the 50m Infinity Lap Pool where they have ample space to perfect their strokes.

Spaces to play and engage

The beautifully appointed Function Room is ideal for hosting extended family gatherings or throwing fun-filled birthday parties for kids.

For more intimate events, book a private chef to cook an indulgent feast for your party at the Private Dining.

There's something to entertain and engage everyone. Adults can sing to their hearts' content at the Karaoke Pod or battle it out with fellow gamers at the Gaming Pod. Kids will have a ball of a time playing hide and seek or any game they can imagine at the Playhouse and Kids' Playroom.

Beneath the understated elegance lies a future of vibrant possibilities

Thoughtfully designed with functional layouts to maximise your living comfort, Tembusu Grand caters to different lifestyle needs with a selection of well-appointed homes – ranging from 1-bedroom + study to 5-bedroom and 2 exclusive penthouse units. Smart-home technologies enhance your sanctuary of modern luxury further with seamless living.

Options to indulge outside

Canvas to create inside

You are never far from our nation's favourite cuisines. Yet you will be tempted to experiment and create gastronomical wonders at home, using your top-of-the-line kitchen that's equipped with a Miele hood, hob and oven, and Liebherr refrigerator. Take care of your laundry with a Smeg washer and dryer. Larger 4- & 5-bedroom units will also be fitted with a Smeg dishwasher.

A home that is smart within and out

Residential Services

Completing your life with ease, our team of Residential Hosts are on hand to provide seamless assistance. From your day-to-day needs such as parcel collection, arranging for laundry and transport bookings; to special occasions like catering for parties, restaurant reservations and more*—it’s all taken care of.

*Selected services are chargeable

Get used to having your way with smart features that make your life at Tembusu Grand even better. Control them remotely via the Smart Home app on your mobile device.

Smart Home

Smart Home Gateway with Built-in Camera
Connects to all compatible devices. Remote surveillance and control of camera via mobile app.

Smart Air Con Controls
Hot day? Turn on the air conditioning in your living and master bedroom remotely and have the home cooled in preparation for your return.

Smart Lighting Controls
Schedule the lights in your living and master bedroom to come on automatically or check if you have forgotten to turn them off.

Smart Digital Lockset
The convenience of locking or unlocking the door remotely. You can also use PIN, biometrics, key or access card.

Smart Video Doorbell
Get notified when someone is at the door, so you can see who is paying a visit or communicate with them.

FOR ILLUSTRATION ONLY

Smart Community

Smart Booking/Payment
Check on the availability and pay for the booking of facilities.

Smart Audio Video Intercom
Let visitors announce their arrival at the lift lobby so you can let them in with a simple tap.

Smart Invite
Pre-register your visitors and generate a QR code invite to allow them easy entry to the development.

Smart Car Plate Recognition
Give your visitors seamless access by pre-registering their car plate numbers.

*Please note that the use of these services and facilities are chargeable as they are provided by third party service providers ("Service Providers"). While our Residential Host will assist in making arrangements, all costs incurred for use of these services and facilities are to be borne by residents. Provision of these services and facilities may be modified according to availability and at the discretion of the Service Providers. The Service Providers also reserve the right to terminate the services and facilities without prior notice. Other terms and conditions apply. Visual representations are not representations of the actual provision.

Embracing sustainability through design

Energy-Efficient Design

- › Building oriented for good natural ventilation in both the common areas and residential units
- › Building façade designed to minimise direct west-facing facades
- › Provision of Renewable Energy to offset 30% designated common area electricity consumption

Energy-Efficient Features

- › Energy-efficient air-conditioning system for all residential units and common areas
- › Energy-efficient lighting design with use of LED lighting and motion sensors at designated common areas
- › Energy-efficient lifts with sleep mode function
- › Air-conditioning system with demand control strategies for communal facilities to minimise any energy wastage
- › Electrical Vehicle charging stations at designated carpark lots
- › Energy-efficient household equipment

Water-Efficient Features

- › Water-efficient fittings are provided for all residential units

Environmental Quality and Protection

- › Use of certified sustainable building materials
- › Low Volatile Organic Compounds (VOC) paints for all internal walls to ensure healthy indoor air quality
- › Landscape and water features to reduce urban heat build-up at the public realm creating a comfortable environment

Other Green Features

- › Smart home with smart community system for residents' comfort and convenience
- › Provision of bicycle parking lots to promote green transport and healthy lifestyle
- › Provision of recycle bins at designated communal areas
- › Pneumatic waste collection and disposal system for general and recyclable waste

Note:
The balcony shall not be enclosed unless with the approved balcony screen as shown above.
The cost of screen and installation shall be borne by the Purchaser.
Where required to facilitate installation, the Architect reserves the right to determine appropriate details not limited to fixing details and colour tones.

Jointly developed by

City Developments Limited (CDL) is a leading global real estate company with a network spanning 104 locations in 29 countries and regions. Listed on the Singapore Exchange, the Group is one of the largest companies by market capitalisation. Its income-stable and geographically diverse portfolio comprises residences, offices, hotels, serviced apartments, retail malls and integrated developments.

Established in 1963, MCL Land is a member of the Jardine Matheson Group under Hongkong Land Holdings. As a leading residential developer with a legacy of consistently building quality developments in Singapore and Malaysia, MCL Land continues to evolve with practical and innovative residential solutions whilst providing investment assets with long-term sustainable value. Its more recent remarkable developments include Leedon Green, Parc Esta, Margaret Ville, Copen Grand and Piccadilly Grand.

With 60 years in real estate development, investment and management, the Group has developed 50,000 homes and owns around 23 million square feet of gross floor area in residential, commercial and hospitality assets globally. CDL's portfolio of luxury homes includes New Futura, Gramercy Park, Boulevard 88, Irwell Hill Residences and CanningHill Piers.

In 2022, CDL and MCL Land collaborated in 2 successful joint ventures — Piccadilly Grand, a new city fringe integrated development directly linked to Farrer Park MRT, and Copen Grand Executive Condominium in Tengah new town, conveniently located near 3 MRT stations, Jurong Lake District, and Jurong Innovation district.

The successful launch of the development has since seen it become a coveted property offering both luxe living and convenience at its doorstep.

While reasonable care has been taken in the preparation of this brochure, neither the developer nor its agents will be held responsible for any inaccuracies or omissions. To the extent permissible by law, the statements, information and depictions in this brochure may not be relied upon as statements or representations of fact, and they are not intended to form any part of the contract for the sale of the housing units. In particular, visual representations such as renderings, illustrations, pictures and drawings are artists' impressions only and photographs are only decor suggestions and cannot be regarded as representations of fact. The brand, colour and model of all materials, fittings, equipment, finishes, installations and appliances supplied shall be provided subject to the developer's architect's selection, market availability and at the sole discretion of the developer. All information and specifications contained in this brochure are current at the time of going to press and are subject to such changes as are required by the relevant authorities or the developer. All plans and models are not to scale unless expressly stated and are subject to any amendments which are required or approved by the relevant authorities. All areas and measurements stated in the brochure are approximate only and subject to final survey. The Sale and Purchase Agreement embodies all the terms and conditions between the developer and the purchaser and supersedes and cancels in all respects all previous representations, warranties, promises, inducements or statements of intention, whether written or oral made by the developer and/or the developer's agent which are not embodied in the Sale and Purchase Agreement.

The unit will be supplied and installed with the following items ("SMART Home System"): a) Smart home gateway with built-in camera b) Smart air con controls c) Smart lighting controls d) Smart digital lockset e) Smart video doorbell. The make, model, brand, design and technology of the SMART Home System to be supplied and installed in the actual unit may differ from the above illustration and are subject to change. Terms and conditions apply. Buyers shall be required to liaise with the smart home vendor instead of the developer to make all arrangements for the set up and configuration of, and for any queries, defects, maintenance and/or upgrade issues with the SMART Home System at buyers' own costs. Items/devices which are not listed above are not included in SMART Home System and may be purchased from the smart home vendor directly and installed at buyers' own costs after the handover of the unit.

Developer: Tembusu Residential Pte. Ltd. (Registration No. 202202813K) • Housing Developer's Licence No.: C1447 • Vendor: Tembusu Residential Pte.
